support of the rescue efforts!**

Rescue Horses On-Staff:

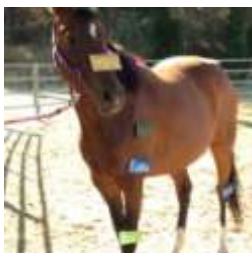

Rain

Mimi

Roxie

Desiree

Healing Hands Horsemanship, Inc.

Mission Statement:

To offer horse care and horse training activities, with the rescued horses and ponies, during hands-on lessons for all ages and abilities of families and organizations who participate in the donation support program as sponsors of the horse and pony rescue efforts of Healing Hands Horsemanship.

On-staff horses and ponies have been rescued and rehabilitated for your family and friends to participate. Healing Hands Horsemanship is a fun and interactive program. Sequential learning and safety are the foundation of participating with the professional coaches and volunteer staff.

Everyone is welcome! Some like to ride horses, while others enjoy brushing a pony. The interaction with animals has been proven to offer therapeutic benefits to individuals.

Sign up to learn 10 Levels of horse care and horse training skills that are offered to develop students into expert horse handlers, owners and riders. Your completion of the final Level 10, qualifies the student for adoption of a rescue horse that is available.
